Two Project Choices

OPTION 1: Your Imperial Diamonds

Instructor: Jean Nolte

Patchwork and borders are center stage as you create the queen-sized Imperial Diamonds quilt.

You'll take a new look at working with strips and squares while applying the expert tips that make it a breeze. Build on the basics and learn how to ensure that your patchwork is accurate, using methods you'll apply across your quilting adventures. Build confidence in your borders, step by step, with a professional's techniques to fashion perfect bindings and lump-free seams.

Your Imperial Diamonds fabric options are enticing Timeless Treasures' Batik Treats, 2½" x 44" strips and 10" squares in three color choices: rich Sugarplum, fresh Hard Candy, and elegant Coffee Cake. You also have the option of making a smaller throw version instead of a queen-size quilt.

Come along with experienced teacher Jean Nolte, and:

- Master using the Fons & Porter Half & Quarter Ruler to make cutting setting triangles quick and easy
- Get the scoop on working with slightly oversized pieces to guarantee accurate patchwork
- Learn a unique strip piecing technique for pieced borders and sashing strips
- Practice techniques for making sure borders fit properly and lie flat
- Toss around ideas for quilting the finished quilt top

OPTION 2

Instructor: **Gail Kessler**

Recreate this amazing masterpiece (c.1860) from the archives of [Winterthur Museum, Garden & Library](#). The legacy of Early American quilt makers blooms in Jewels of the Garden, a reproduction of a work in Winterthur Museum’s collections.

You will be surprised at how easily the simple method of English paper piecing lets you put an intricate design together. Make the most of precious quilting time with speed piecing, foundation piecing, and appliqué.

Whether you choose to make a bed-sized beauty or smaller wall quilt version, Jewels of the Garden will be a cherished accomplishment. You can opt to work in Antique (closely replicating the original) or Modern Jewel Bright colorways.

With Gail Kessler’s instruction and inspiration, you’ll:

- Learn hand and machine techniques for appliqué and English paper piecing
- Produce fast, foolproof foundation piecing
- Discover the process of speed piecing
