

VISIT PETRA JORDAN

AUGUST 4-8, 2027

Two thousand years after Petra became a trading hub, it's still an adventure to get there. Close your eyes and imagine the [Siq](#), a 3/4-mile long (1.2 km) narrow gorge that winds between 300–600 foot-high walls, leading you into the fabled rose red sandstone realm of Petra. Join the adventure after the solar eclipse in Luxor. You'll fly out of Luxor, connect in Cairo to Amman, Jordan. After two nights in the [Crowne Plaza Amman](#) (perched on Amman's highest peak) you'll head south to Petra. You'll visit Mount Nebo in the Abaram Mountains, long a place of pilgrimage for its association with Moses, and a popular panoramic viewpoint. Nearby Madaba is known as the city of mosaics, and you'll visit the noted 6th century CE Madaba Map, the earliest surviving map of the region spanning from Lebanon to the Nile Delta.

You'll continue on to the [Mövenpick Resort Petra](#) hotel in Wadi Musa, to rest and prepare for a full day exploring Petra, a UNESCO World Heritage Site. (Mövenpick Resort Petra is located close to the Petra town center in Jordan, and only 50 meters to the entrance of the visitor center, Petra museum, and main gate of the Petra archaeological site.) Your route winds through the famous Siq, takes you to the Treasury and Theater, and beyond.

Whether you lean toward history, local culture, bucket list progress, or architecture at Petra, you're sure to capture indelible desert memories.

Join us in Petra, Jordan and wrap up your eclipse experience on a high note.
